• Please **DO NOT** vote for Joe Biden for President. He supports the Democrat platform of unlimited abortion even through birth. He pledges that his judicial nominees would "support the right of privacy, on which the entire notion of a woman's right to choose is based."

• Please **DO NOT** vote for Paula Jean Swearingen for US Senate, Natalie Cline for US Congress (District 1), Cathy Kunkel for US Congress (District 2), or Hilary Turner for US Congress (District 3). All are endorsed by Women to Win, a group which champions Democrat women who support the right to choose abortion on demand.

• Please **DO NOT** vote for Sam Petsonk for Attorney General. Petsonk is endorsed by Planned Parenthood, the nation's largest abortion provider.

• Please **DO NOT** vote for Natalie Tennant for Secretary of State. In the past, she has been endorsed by the radical pro-abortion group EMILY's List, that favors only candidates who support abortion for any reason and using your tax dollars to pay for them.

• Please **DO NOT** vote for Bob Beach for Agriculture Commissioner with his dismal 33% pro-life voting record.
